SMITH & Company The Brewery OUNDLE

As one would expect from the address of Smith & Co. of Oundle, the firm were brewers who rather surprisingly purchased a blue Ford T bus on 7th October 1921 when it was registered BD 6143. It was licensed solely as a Hackney Carriage and was retained by Smith & Co. until the end of December 1931, at which time Traffic Commissioners' approval would have been required to continue operation.

Clearly Smith & Co. must have had a use for BD 6143 but what it was remains a mystery.
