

SANDERSON. Sarah Ann ASTCOTE

Sarah Sanderson acquired a Buick lorry on 7th October 1915 when it took the registration BD 3153. Although a lorry, it was equipped with what was described as a "passenger top" and its use was interchangeable between freight and passenger carrying.

Any passenger work undertaken by BD 3153 is unknown but on 5th February 1918 the khaki and black Buick was sold to William Freeman of Oundle who was a builder and contractor who ceased to licence it as a public conveyance.
