HARRIS. John William
161 Abington Avenue,
NORTHAMPTON

Another operator about whom virtually nothing is known was John William Harris who traded from Collingwood Garage at 161 Abington Avenue, Northampton.

Evidently Mr Harris owned a twenty-seater vehicle and was granted a Hackney Carriage licence which enabled him to ply for hire from Northampton Market Square during the period 16th April 1928 to 25th March 1929. There is no record of Harris applying to renew his licence in 1929 but if he did, his passenger carrying business certainly didn't make it into the period of post-Road Traffic Act 1930 licensing.
