

WHITE. Joseph Charles

KETTERING

It is recorded in the Minutes of Kettering Urban District Council's "Streets, Buildings and Sanitary Committee" for 30th April 1913 that on the Motion of Councillor Tolputt, seconded by Councillor Mackay, that it was Resolved unanimously to recommend that an Omnibus Licence and a Driver's Licence be granted to Joseph Charles White of Kettering.

Unfortunately there is no information concerning White's omnibus or the use to which it may have been put. However, in May 1919, Joseph White was issued with another licence by the same Committee, suggesting that White probably ran his vehicle for a number of years.

Whether or not there was a family connection between Joseph Charles White and Charles William White (NN-WH2) has not been established.
