**NORTHAMPTON**

Surviving records from the Sales Ledger of Messrs Henry Oliver Ltd, the Northampton Ford Agent, show that Robert Stevens of St Andrew's Street, Northampton purchased a Ford T lorry/bus on 15th September 1926. This vehicle was not new and cost Stevens £65. Although bought as a lorry-cum-bus there is no indication that Stevens used it for passenger-carrying purposes. Robert Guy Stevens was a motor engineer by trade.
