LUCAS. Charles Waggon & Horse Northall Street KETTERING

Many publicans years ago felt the need to supplement the income earned from their core businesses of running inns and taverns and just such a person was Charlie Lucas who kept the Waggon & Horses in Kettering.

By June 1921 he was advertising an "Up-to-date New Landalette" for hire and for which weddings were a speciality with every attention given and consideration for long journeys.

CHARLIE LUCAS,
"WAGGON AND HORSES," KETTERING,
Has an Up-to-date New
Landaulette for Hire.
WEDDINGS A SPECIALITY.
Every attention given and consideration for
long journeys.

However, in the following year Charlie Lucas evidently bought a twenty-eight seat charabanc which was available for hire. Unfortunately nothing has been learnt about the actual vehicle operated and no other advertisements seem to have been placed in the local newspapers, suggesting that the year 1922 was both the start and finish of Charlie Lucas's venture into charabanc operation.

FOR HIRE,
UP-TO-DATE 28 SEATER CHARABANC.
WEDNESDAY, AUGUST 9th.
Appls—
C. LUCAS,
WAGGON AND HORSES, KETTERING.
